Free Discount Prescription Drug Card Offered to West Lafayette Area Residents

WEST LAFAYETTE, Ind. . Residents of West Lafayette and the surrounding area will soon have access to a free discount prescription drug card. The prescription drug card is being offered to all residents compliments of the City of West Lafayette.

The free drug card provides savings up to 75% on prescription drugs and is accepted at over 56,000 pharmacies across the country. This program has no restrictions to membership, no income requirements, no age limitations, and there are no applications to complete. All prescriptions processed through the program are confidential.

"This is a great opportunity for area residents to save on the rising costs of prescription drugs," said Mayor John Dennis. "The City of West Lafayette is proud to offer a free discount card to everyone, including those who are uninsured, underinsured, or even for those who have prescription coverage but can benefit from a discount on non-covered drugs."

Cards will be available at the Sagamore West Farmers Market on July 13, from 3:00-6:30 p.m. Beginning July 13, area residents can also obtain one of the prescription drug cards by visiting www.westlafayette.in.gov and clicking on the City of West Lafayette Prescription Drug Card link. People who are unable to access the internet may obtain a card by visiting West Lafayette City Hall on 609 West Navajo Street between the hours of 8:00 a.m.-4:30 p.m., Monday thru Friday.
